SITHANDEKILE NDHLOVU

FRONTEND WEB DEVELOPER

286Esangweni,Johannesburg| sthandie15@gmail.com | 0027766355311

WORK EXPERIENCE

- I have a solid understanding of HTML and CSS for creating well structured and visually appealing web pages, and a proficiency in JavaScript for adding interactive elements.
- My experience with React.js allows me to build dynamic user interfaces, and my knowledge of Tailwind CSS helps in efficiently styling applications, also ensuring that applications work seamlessly across various devices.
- I collaborate well using the Git version control systemand gitHub.
